OLIVER+

July 2022 - Sep 2022

INTERNSHIP

During my internship as an Email Developer, I gained hands-on experience in coding, testing, and optimizing email campaigns. I developed responsive email templates using HTML, CSS and ensuring cross-client compatibility. I worked with design teams to transform visuals into functional emails and conducted rendering and spam testing to enhance deliverability.

EDUCATION & CERTIFICATIONS

Mumbai University

Bachelor Of Science (**Information Technology**)
